INSTRUCTIONS

- Please include full payment for tuition. Make checks payable to The Seattle School. Payment must be received before the first class session or attendance will be denied. (Please note: Alumni who graduated from MHGS/The Seattle School are invited to take one free enrichment class per academic year. Visit theseattleschool.edu/alumni for more details).
- When you arrive for the each class session, please check in at the front desk to receive your Visitor's Badge. This will gain you access to the classroom.
- This application form is only for students desiring content or enrichment only, not Graduate Credit. If you desire credit, you should complete the application for admission into a degree program.
- Enrichment students will not have their work graded. Please be aware that credit cannot be granted after the fact; your decision to receive or not receive credit is final for each course.
- Enrichment classes follow the same refund schedule as classes taken for credit.
- Enrichment students do not have the privilege of inviting guests. This application covers one attendee only.
- Currently enrolled, degree-seeking students are not eligible for enrichment courses. Some courses are space-limited and/or experiential, and are not available for enrichment enrollment. The Registrar reserves the right to limit enrichment enrollment in any course.
- Please return this completed form to The Seattle School Office of Academics at the address above.
